June 24-28: Ready for summer—all about the Beach Week

Sand, shells, seaweed and rocks. We will explore, discover, and create fun jewelry and art with treasures from our beautiful Maine beaches.

July 1-5 (closed on July 4th): Stars 'n Stripes Week

Everything will be about red, white, and blue this week while we sprinkle cookies, make our flags, celebrate and prepare for the Fourth of July.

July 8-12: Royal week—Castles, knights and princesses

This is a magical week with an assortment of enchanting characters, unicorns, dragons, and more. Our projects will include lots of sand, gems and glitter.

July 15-19: Adventures in Outer Space Week

Planets, stars, astronauts, rockets and flying saucers will all be topics and activities this week.

July 22-26: Bugs week

Bugs, Bugs, Bugs! If you like creepy crawly creatures than this is the week for you. Bees, ants, spiders, and even beautiful butterflies will be our focus.

July 29-August 2: Dinosaurs Week

Dinosaurs Galore! Dino art and projects will fill up our week. Build models, make fossils, and create your own dinosaur, including pink glitter dino's for our girly girls!!

August 4-9: Under the Sea Week

There are so many amazing sea creatures to keep us busy. Handprint crabs, starfish, seahorses and jellyfish are a few of the creatures we will make this week.

August 12-16: Western Week

We have a wide range of activities this week from eating S'mores to designing snakes. We will sift' for jewels to make our own bracelets and create amazing tepees and totem poles.

August 19-23: All about Animals Week

There are so many animals...We will create puppets, design and illustrate your own animal book and write a story to share with your friends and family.
